

NORTHERN CAPE PROVINCIAL GOVERNMENT

OFFICE OF THE PREMIER

POLICY STATEMENT: TREASURY REGULATIONS

POLICY STATEMENT

This representation serves as a policy statement that the Office of the Premier has no choice but to follow and comply with Treasury regulations as such regulations are issued in terms of the Public Finance Management Act of 1999, which is a supreme financial management law of the Republic, to be complied by all government departments (including the Office of the Premier), trading entities, constitutional institutions and public entities. Therefore, the office of the Premier adopted the Treasury regulations as its policy since they were first issued by National Treasury in 2005.

The department has adopted all 34 chapters of the Treasury regulations.
