Dear Colleagues,

Re: OPERATION: SMARTCARDS IDs, SMART MOVE

The above matter refers.

The months of November and December are Anti-Corruption Awareness months. Identity Fraud has been categorized as one of the most prevalent and easiest of crimes to perpetrate using the current green identity book. The picture and content is apparently easily tampered with making anyone still using it susceptible to identity fraud. Using a Smartcard ID reduces the risk of fraud significantly according to the Department of Home Affairs and everyone is urged to change to this Smartcard format.

The Office of the Premier wishes hereby to encourage staff to take advantage of this initiative both for their safety and that of their families this festive season.

The Anti-Corruption Unit in conjunction with the Department of Home Affairs will be facilitating this project and OTP staff will be given special consideration when taking up this offer with dedicated officials assigned to assist. The process reportedly takes less than 5 minutes per person and the Smart Identity Card is available within 72 hours with notification via SMS.

All staff are kindly advised to contact the Anti- Corruption Officer, Mr. Molatlhwa (2783) for any information on the project and its duration.

I urge ALL to take advantage of this initiative to safeguard yourself and your families.

Yours faithfully

JUSTICE BEKEBEKE
DIRECTOR GENERAL
