

# EXCO Outreach Namakwa

The Premier Ms Sylvia Lucas and the Executive Council of the Northern Cape conducted an Executive Council outreach programme in the Namakwa District focusing of the Hantam Municipal Area. The Executive outreach programme was from 13 – 15 March 2018 and focused on small towns like Loeriesfontein, Brandvlei and Fraserburg.

The Executive Council held community meetings to report back on work done by the provincial government during the past financial year. This was also an opportunity to listen to community on where government could improve service delivery in that municipal area.
