**GOVERNMENT EMPLOYEES HOUSING SCHEME (GEHS) INFORMATION  
SESSIONS IN THE NORTHERN CAPE PROVINCE: 12 MARCH 2018 – 28  
MARCH 2018**

The above matter refers:

1. The implementation of the Government Employees Housing Scheme (GEHS) commenced on 27 May 2015, following the signing of the Public Service Coordinating Bargaining Council (PSCBC) Resolution 7 of 2015. The agreement was established with the objective to increase home ownership and asset security among the public service employees. The scheme will therefore:
  - a) Support, educate and advice employees on housing options and opportunities;
  - b) Enhance employees access to affordable housing developments;
  - c) Assist employees to access housing finance and loans on affordable terms;
  - d) To provide a housing allowance (R1276 per month) to meet employees recurring accommodation costs and
  - e) Assist employees to rent houses with a view to buy and own homes.
2. To provide more clarity on the above, the DPSA Team will conduct information sessions for all Provincial Departments including District Offices.
3. The Information sessions will amongst others cover the overview of the GEHS, progress regarding the implementation of GEHS in respect of the housing allowance, GEHS Individual Linked Savings Facility, Housing Finance and Home Loans as well as employee enrolment.
4. The SA Home Loans team, who are GEHS partners in delivering housing finance to government employees, will interact with employees in this regard.

You are kindly requested to release all staff members within your Department/District Office and surrounding areas to attend the sessions as per attached schedule.

Yours in service delivery
