## **HUMAN RESOURCE MANAGEMENT CIRCULAR NO. 01/2018**

### **IMPLEMENTATION OF THE APPROVED ORGANISATIONAL STRUCTURE: UPDATE**

1. As indicated at the staff meeting of 02 May 2018, some posts and Units will not be affected by the re-aligned organisational structure, which separates the internal and external functions of the Office of the Premier.
2. This communiqué serves to inform you that the unaffected officials have been issued with letters confirming their current positions and placements.
3. The affected officials will remain in their current Units and positions until such time as the job evaluation and placement processes have been finalised. These officials therefore also should conclude their Performance Agreements for the 2018/19 cycle, in accordance with the current job functions, as per the EPMSD policy and prescribed time-frames.
4. Staff members will be regularly updated of any new developments.
5. Your co-operation is appreciated.

**Yours faithfully**

**JUSTICE BEKEBEKE  
DIRECTOR GENERAL**
