## HYGIENE IN THE WORKPLACE

The Office of the Premier recognizes the importance of ensuring a safe and healthy working environment for all its employees.

The Occupational Health and Safety Act, No 85 of 1993 places a duty on the employer to ensure that as far as is practicable, the working environment is safe and healthy for employees.

In light of the above, I hereby give permission for the release of all staff members to attend an information session on hygiene in the workplace including infection prevention and control. The information session will be held at the fourth floor boardroom on the 27 September 2017 between 09:00 and 10:00.

In the event of any queries, please do not hesitate to contact Ms. M. Dhlamini at 053-838 2341 or Ms. K. Lebone at 053-838 2348

Yours faithfully
