### UNITE TO END TB

The Office of the Premier recognizes the importance of ensuring a safe and healthy working environment for all its employees.

March is TB awareness month. The Employee Health and Wellness Unit plan to host a TB, STI and HIV awareness programme in collaboration with stakeholders.

In light of the above, I hereby give permission for the release of all staff members to attend an information session including wellness screening. The session will be held on the 14 March 2018 between 09:00 and 10:30; venue will be communicated to you in due course.

In the event of any queries, please do not hesitate to contact Ms. M. Dhlamini at 053-838 2341 or Ms. K. Lebone at 053-838 2348

Yours faithfully
